ALTO HR

The workforce company built for the future of work

CAPABILITY STATEMENT

www.altohr.com

Alto HR recruits, prepares, employs and pays frontline teams for businesses that cannot afford an empty shift. Associates are Alto W-2 employees, trained through Alto Ready before their first shift, supported by on-site leads at larger sites and coordinated through one account contact. Founded by former big-box retail operators.

Core competencies

- Temporary, seasonal and callout staffing
- Temp-to-hire and direct hire recruiting
- Payroll services and employer of record
- On-site workforce management
- Master vendor and multi-location programs
- J-1 and H-2B seasonal program support, with Department of State-designated sponsor partners
- Alto Ready pre-shift training and certification
- Housing and transportation coordination for seasonal teams
- Alto Robotics: Pudu robots as a service, planned with your crew

Differentiators

- Alto employs every associate it places: W-2 payroll every two weeks, tax forms and records handled
- Ready on day one: associates are trained before their first shift
- One accountable partner: an account contact, on-site leads and agreed reporting
- Hiring, scheduling, time, pay and compliance run on Alto People, our own workforce platform
- A quote within one business day; no long-term contract required to start
- No fees to workers, ever

Industries served

Retail, grocery, hospitality and resorts, restaurants and food service, light industrial and warehouse, facilities and janitorial, office and administrative, vacation rentals and property services.
